## Camp

### D. C. Youngsters Aided By Clubs

What boy or girl doesn't love to swim and hike? To spend long summer hours in the mountains and to sleep under the stars at night? To listen to stories around the light of a crackling camp-fire?

Local social and civic clubs are cooperating with the WPA Recreation department to make summer camp a possibility for every boy and girl in Daly City this year.

Daly City Post No. 410, American Legion, has volunteered to act as a clearing-house for camp applications. Blanks may be secured from R. L. Crane, chairman of the camp committee.

The camp will be located in Big Basin in the Santa Cruz mountains. Known as Camp Shadowbrook, it is conducted under government supervision by District No. 9, Division of Recreation, Works Project administration. There will be at least one adult "counselor" for every eight children. All counselors are first aid experts and a doctor is on call at all times.

Any boy or girl between the ages of 9 and 16 years is eligible to attend. Girls will be encamped

## Tony Battaglieri Victim Of Shooting

Tony Battaglieri, thirteen-year-old son of Mr. and Mrs. James Battaglieri, 123 Wilson street, lies critically injured today in the Community hospital as the result of an accidental shooting here Saturday afternoon.

A bullet discharged from the .22-caliber pistol of a boy companion, Jack Jorgenson, 16, 3265 San Jose avenue, lodged in the right side of Tony's chest, close to the lung. Jorgenson was taken to the juvenile detention home in Redwood City.

Jorgensen recounted to Chief James G. Reardon of the Daly City police department how he had gone to Thornton beach in company with some other boys for target practice Saturday morning.

On his return, he said, he met Tony playing with some other boys near the railroad tracks at the foot of Knowles avenue.

"Don't shoot me!" Tony cried, according to Jorgensen, when he saw the gun.

"He said that for fun," Jorgensen continued. "I saw something I wanted to shoot at and aimed at it. Tony moved and I shot.

"I went to him and he said 'Oh, Oh.' I asked him if he was hurt and he said 'Oh, I can't breathe.'

"I ran to the nearest house and a man came out of a car and I said 'Come quick!'

" I helped the man put him in the machine and take him to the

### One Hundred Workers On South End Streets

With nearly one hundred WPA workers back on the job, Daly City's South End streets project presents a busy scene this week.

The unloading of materials, digging of trenches and completion of sewer laterals is proceeding at a rapid pace. Despite delays encountered during the last two months, the job is already approximately fifteen per cent complete, the city engineer said today.

It is expected that the project will take about nine months for completion.

## Monkey, Monkey-Where's Monkey?

There was monkey business afoot in Daly City last week.

Not only afoot, but climbing trees and fences and telephone poles, mystifying residents and scaring housewives.

First official notice of the affair was a semi-hysterical call to the Daly City police department.

"Come quickly," implored a local housewife over the telephone. "There's a monkey on my back fence."

Police were somewhat skeptical, but notified the pound-master. He, in company with several citizens of the town, turned out in full force.

Sure enough, there was a monkey. But the monkey was too fast. Despite all calls of "pretty monkey, pretty monkey," he would not be wooed from his high perches and skipped nimbly off into the distance.

Poilce confessed today that they did not know whether the monkey was now safely in the arms of some fond owner or whether he had returned to the South Sea Islands.

P. S. Jittery housewives are keeping a wary eye out for elephants, tigers and cannibals.

### Radio Players To Present Sketches

### County Tour To Visit Daly City

Stirring events from Daly City's romantic past will come to life again for a group of sight-seers, Saturday, when San Mateo's third annual "Know Your County Tour" visits local points of interest.

Standing on historic "Daly's Hill" the group will survey the panorama below and listen to accounts of early ranch days in this vicinity. The geology and botany of the region, its present industrial development and soil erosion problems will come in for their share of attention.

But before their ascent to the top of the hill, the group will be officially welcomed to Daly City

## Fire Department Instructs Group

With their motto 'Help thy neighbor' in mind, members of the Daly City Fire department, headed by Chief Andrew P. Chesney, formed a delegation to Sharp Park, Thursday evening, to help the newly organized fire department there solve their department problems.

Accompanying the local boys was a group of nurses from Junipero Serra hospital, who went to study the first aid methods of the department.

## '40 Fair

### Three Win Aquacade Parts

Three youthful Daly City performers have won the signal honor of appearing in the spectacular "Aquacade" on Treasure Island during this year's Exposition.

Following exhaustive tests, Carol Schoning, Barbara Davis and Ralph Capps were awarded contracts last week with the world-famous producer, Billy Rose.

Rehearsals for the glamorous swimming and dancing novelty which won wide acclaim at the New York World Fair last year, are now under way. The show will be staged in a great wooden tank in International hall, and will feature from three to four shows daily.

Selected from 260 girl swimmers applying, Miss Schoning will be one of the 38 swimming stars from the Bay area. The holder of many swimming medals, Miss Schoning is the daughter of Mrs. Katherine Ottoboni, manager of Tanforan Florist Shop and has many friends in this vicinity. She has worked for the past four years in the flower shop and is a well-known figure at Jefferson Union high school's plunge, where she has kept in condition during the past year.

The water ballet will be a beautiful and elaborate spectacle, with performers in white bathing suits swimming in beautiful formation to music beneath colored lights. Rehearsals are being held at present in Crystal Plunge at North Beach, and follow a strict routine, Miss Schoning said. This will be her first appearance in professional ranks.

Also making their first appearance as professionals will be Barbara Davis and Ralph Davis, well-known dancing stars of Dante P. Lembi's Indians of Rhythm. Both are students of Jefferson Union high school.

Miss Davis is the daughter of Mr. and Mrs. LeRoy W. Davis, 201 Citrus avenue. She has been dancing for about three years, is ex-

## Record Announces Work-Way Plan

"How many enterprising boys and girls has Daly City?" was the implied question put when The Record announced a plan whereby every Daly City youngster could earn his own way to summer camp at Big Basin.

With the combined objective of enabling every local youngster to enjoy a week at camp and of sponsoring a city beautification plan, J. W. Marchbank has set up a fund to pay expenses of any boy or girl who wishes to complete work assignments made by the local recreation office.

Principal work assignment will be for a boy or girl to plant and care for a lawn or garden at his or her own home.

To become eligible for a week at camp with all expenses paid, boys and girls must apply at the Daly City Recreation office, 101 Park avenue, fill out application blanks and receive work assignments.

All applicants are requested to attend a meeting at 3:30 p. m. Friday of this week at Theatre hall. Parents may attend this meeting, if they wish, to discuss details of the program with WPA recreation officials. (See story in column one for more news about summer camp.) Last week's Shopping News also carried full details.

## Inaugurate Two New Govt. Steps

Whipping through a stack of routine business in record time, council members Monday evening inaugurated two new steps in local city government. An audience of approximately fifty persons was present.

First departure from routine was the appropriation of $1,200 for the Daly City fire department to burn off vacant lots which constitute a fire hazard to the city. This step is expected to save money, substantially reduce the fire risk and improve the general appearance of the city.

Second innovation was the request that each city department take a complete inventory and submit it at the next regular council meeting.

Other business included the appointment of Streets Chairman John J. Fahey as a committee of one to arrange for the purchase of property blocking Moltke, Mission and Cavour, which are sched-

### VFW Buddy Poppy Drive Set For May 24

"Honor the dead by helping the living" is the motto behind the annual VFW Buddy Poppy drive, May 24.

Poppies are made by disabled veterans and the proceeds go to assist the disabled and partially disabled, the national home, and to help widows and orphans of veterans.

All work on the sale of Poppies is done by post and auxiliary volunteers.

"By wearing a Poppy on May 24," says the local committee, "you are helping a veteran who is unable to help himself."

### Clean-Up Campaign Spruces Up Daly City

## Indians

### NBC Signs Jeff Students

There's no stopping Dante P. Lembi's Indians of Rhythm.

Not only has the Jefferson swing band made itself famous all up and down the coast, but now—best news of all—virtually the entire troupe was signed up last week by Lee P. Strahorn, NBC representative, for personal radio appearances.

For fifteen weeks Indian stars will compete with other outstanding entertainers from all over the Bay area on Benny Waker's Amateur Hour, each Monday at 10:15 p. m., over Station KGO.

Grand prize for contestants on the radio hour is one week's paid engagement at the Golden Gate theatre in San Francisco. It will be remembered that last year two members of the Indians, James and Joseph Vernazza, won this signal honor.

Lembi today emphasized the opportunity this offers the young performers to break into professional ranks and achieve something really worth-while. He pointed out that success on an amateur hour often results in bread-and-butter jobs for boys and girls.

Three out of ten contestants on last Monday night's program were Indian entries—Al Marcucci, soloist, Ralph Shinazy, trumpet player, and Jefferson's inimitable Cowboy band.

"The important thing now is the number of votes sent in," officials said today. "Votes may be sent in all of this week and a flood of post-cards is expected to pour into Station KGO to help local boys and girls win for Daly City."

Next Monday evening those Bing-Crosby-challengers, Wayne and Fred Chapin will sing and whistle for radio fans, and the following Monday Eugene McLean will demonstrate his virtuosity on the ivory keys.

Other Indians of Rhythm who will appear in the near future include Bob Dyer, Arnold Lemos, Tillie Castro, Josephine Puricelli, Lawrence Caserza; the girls' trio consisting of Josephine Puricelli, Shirley Allen and Barbara Foreman; George Shinazy, Lawrence Lemos; Barbara Foreman, Shirley

## Annual Festival Of Light Opera

San Francisco, the music center of the west coast, is now enjoying its first annual springtime festival of light opera. Homer Curran, in association with Edwin Lester, is bringing four glorious operetta presentations to the Curran theatre—each for one week.

Opening the big music festival this week was America's best beloved singing star, John Charles Thomas, as Captain Corcoran in Gilbert and Sullivan's "H. M. S. Pinafore."

The week of May 20, Jerome Kern's great American masterpiece, "Show Boat" with probably its greatest cast, including John Boles, Norma Teris, Paul Robeson and Guy Kibbee, will be offered.

Of unusual interest this year will be the mammoth production of Victor Herbert's melodic operetta "The Red Mill" with its gay singing ensemble of more than 56 beautiful maidens and typical Herbert music, which has become so universally loved. This operetta which closes the season—the week of June 10—will feature an all star cast.

Jarmila Novotna, the 1940 sensation of the Metropolitan Opera, will enhance the season here with her singing of the title role in Franz Lehar's "The Merry Widow" supported by Walter Woolf King, of the New York stage, as Danilo. "The Merry Widow" will be given the week of June 3.

Special arrangements have been made with the Southern Pacific to run excursion trains to San Francisco for the mammoth music festival, which, no doubt, will go down in music circles as the most important entertainment offering in the bay city this year.

## Lamb Chops cooked en Casserole

**Dorothy Greig**

**MEAT casseroles can truly be listed among the delights of life. As an example, consider this Lamb Chop Casserole. The long oven heat coaxes the meat to fork tenderness. The juices from the meat mingle richly with the tomato soup welling in lazy bubbles around the chops. Such a dish is to be eaten with zest and remembered with respect:**

**Lamb Chop Casserole**

5-6 shoulder or rib lamb chops
1 tablespoon flour
⅛ teaspoon pepper
5-6 slices of onion
5-6 slices of green pepper
1 can condensed tomato soup

**Mix the pepper and flour and dredge the lamb chops in the mixture. Then place in a casserole and on each chop place one slice of onion and on the onion place one slice of green pepper Pour one can of tomato soup over all. Cover the casserole and cook in a moderate (350°) oven for 1½ to 2 hours. Serves 5-6.**

Ralph Capps, popular student entertainer, has studied dancing for about five years and has been widely acclaimed for his clever tap numbers. He is the son of Mr. and Mrs. Walter H. Capps, 345 Winchester, and was invited to join Lembi's Indians of Rhythm while he was still in grammar school. At present most of Ralph's time is given to dance rehearsals for the Aquacade, which are held daily in the Civic auditorium.

## Jefferson Defeats Sequoia Team With 5-0 Score

Jefferson humbled one of the Peninsula's most powerful high school teams, Friday, with a 5-0 score, on the Jefferson diamond.

Sequoia, first up to bat, started the game off with a hit by their short stop, Nells. Two sacrific hits, a walk and a steal, found Sequoia with men on third and second. Two out, two on, and Sequoia's slugging catcher, Walkup, came to bat.

Herb Poddig sized up the situation, set his jaw, and methodically fanned Walkup, retiring the side. Only three times after that did the boys from the South get on bases.

Lekoff got on first in the second inning on an error, and was hit home for the first score of the game by Razzari and Percival.

In the fifth Lee Stephens got a two bagger and was hit home by Guisti. Lekoff, Percival and Ragni came home to score in the sixth.

Much can be said about the batteries, Huerta and Poddig—of the split-second precision of the infield's playing, and of the unfailing support of the outfield—but it was the concerted effort of an inspired team, carrying out Coach Albert Bigg's instructions to the letter that made the Jeffs unbeatable last Friday.

Daly City's Table Tennis club will again meet the only team that has ever defeated them when they tangle with the Murio club, from the Haight street district, Tuesday evening, 8 p. m., at the Mission Recreation center, 6384 Mission street.

Defeat at the hands of the Murios several weeks ago is the only black mark on the record of the Daly City team. According to Joe Madison, captain of the local boys, this will be a revenge match, and a tough fight can well be expected.

The public is invited to attend the tournament.

## CLOSER TIES

A nationwide survey recently completed by the American Automobile association, in cooperation with the Alaskan International Highway commission, reveals that demand for a highway that will permit motor travel between the United States and Alaska is greater now than ever before.

Already a highway extends as far north as Hazelton, British Columbia. Engineers are agreed that a highway from that point into Alaska, opening new touring frontiers to motorists, is completely feasible and could be kept open practically the whole year.

It seems to us that there is no question as to the worth of this highway, which would link us with our far northern territory as well as promote tourist trade and friendly relations between Canada and the United States.

Every step that tends to unite the Americas in trade and in friendship is of paramount importance. With war ravishing Europe, there seems no doubt that the Americas must be the last stronghold of peace, if peace there is to be at all.

It would seem to us that it is only the part of wisdom to do all in our power to firmly tie up all nations in this hemisphere by bonds of friendship and trade to the end that the Americas as an entity stand against foreign encroachment and invasion.

from July 8 to July 21; boys from July 22 to August 11.

Generous contributions for sending underprivileged children to camp have been raised by various organizations. Daly City Post No. 410, American Legion; Daly City Unit No. 410, American Legion auxiliary; Colma PTA, Jefferson Union High school PTA, Woodrow Wilson PTA and the Women's Civic club will each send a child to camp. Crocker PTA will send two, and General Pershing PTA four children.

An open invitation is extended to all other organizations interested in child welfare to cooperate in this program, Crane said. Five dollars will send one child to camp for one week.

Approximately fifty boys and girls will be enabled to earn their own way to camp by means of a city beautification program sponsored by J. W. Marchbank, with the cooperation of the Daly City Recreation committee and the Daly City Record. Full details may be secured from the Recreation office, 101 Parkview avenue, DElaware 1433.

Parents may also arrange to send their children to camp upon payment of the regular fee. Officials request that all applications be made by June 15.

## Return Verdict In Camp Death

Verdict that Emile Peterson, 40-year-old itinerant, slain at a hobo camp near Belmont in a fight over the German invasion of Norway, was murdered "by a person or persons unknown," was returned by a jury at an inquest held Thursday in Daly City by Coroner William Crosby.

George Westman, 43, World war veteran, charged with the murder, did not testify.

At other inquests the jury found that John Egan, 55, and Giuseppe Mangini, 55, both of Colma, killed by automobiles last month, were the victims of unavoidable accidents. Carl Wilhelmson, San Mateo, and Miss Matilda McCulloch, Palo Alto, drivers of the cars, were absolved of blame.

Twelve contestants from the Indians of Rhythm have already made radio appearances in the last few months. Most recent were Ralph Capps and Ferne Crawford who entertained over the air a week ago last Monday.

Under Lembi's skillful hands during the past year and a half the Indians have received expert training. Numerous public performances have all combined to take the rough edges off high school musicians and make them truly veterans in their art. Last month alone the band appeared in 15 different shows here and on the Peninsula.

Other immediate engagements for the Indians include another school assembly as the result of a petition circulated by their fellow students at Jefferson; the school carnival dance this Friday evening; an American Legion benefit in San Bruno Saturday; and incidental music for the WPA Recreation Radio Players, May 24, at the high school.

ness through the meeting. Assistant Chief Arthur J. Bodien was called upon for advice regarding electric sirens. The meeting was then turned over to Chief Chesney.

Chesney spoke on the importance of drill and of the necessity of having a well trained first aid unit, and then introduced Captain Kai Peterson, of the Daly City First Aid unit.

With his team, consisting of Ed Domenici, Larry Shaw, Bert Meritt and A. Benassini, Peterson showed how to handle victims with a broken back or a broken neck, and how to apply splints on a broken arm. The unit also demonstrated the inhalator equipment.

Commissioner Richard Ennis was then introduced as chief instructor and took over the meeting. Assisted by his instruction group, Ennis explained how to organize classes. E. Kennedy talked on how to prepare lessons and the method of presentation to the classes. Forming Daly City's instruction group were R. Ennis, E. Kennedy, A. Sundstrom, A. Benassini, J. Welsh, K. Peterson and S. Valentino.

It was the consensus of the Sharp Park department that more had been learned in one evening from the Daly City department than could have been learned by months of studying books.

Junipero Serra hospital nurses showed their enthusiasm by requesting Chief Chesney to notify them of the next meeting so that they could attend and further study the department's methods.

Tabes were set up and supper served to the visitors by the Sharp Park firemen.

## Local Participants In May Festival

Beloved John McLaren will crown two local children rulers of the May Festival at McLaren park, May 26. Crowned queen will be Christine Dorothy Langensand, and as king, Allan Backe.

Festivities begin at 11 a. m. For the third consecutive year, Miss Rose, local dance instructor, 876 Brunswick, will be in charge of the affair.

Highlight of the day will be the Dance of All Nations by children of Miss Rose's and Miss Schultz's dancing schools. Music will be supplied by the San Francisco municipal orchestra. Russian, Hawaiian, Dutch, Gypsy, Mexican Jarabe, Spanish, Tango and Rhumba dancers will entertain on the program.

The festival will start with a parade of children's and adults' marching and musical units to the park, where the king and queen will be crowned. Leading the parade will be mascot Baby Carol Benedetti, the three-and-a-half-year-old miss who commanded so much attention in the recent St. Patrick's Day parade, and the Daly City Juvenile drill team.

Following Baby Carol will be the king and queen with their retinue, which includes Mary Lou Montano and Shirley Lutzker, leaders; Joseph Langensand, crown bearer; Joyce Staub and Lorraine Remmer, train bearers; Raymond Hecher, Dick Verbrugge and Peter Krogh, ushers.

Next in line will be one hundred dancing flower girls, followed by Boy and Girl Scout units; bands, drum corps and drill teams.

Dances around the May Poles and an elaborate program will occupy the remainder of the festival.

# De Soto Relieves Strain Of Driving

Strain of driving an automobile on the crowded streets of today's cities and busy modern highways, is greatly relieved by the remarkable feats of automotive engineers, is the belief of James E. Donahue, Daly City, De Soto-Plymouth dealer.

"The amazing new floating ride of the new 1940 De Soto, for instance, relieves the driver of shocks, bumps, jiggling and many other aggravations which were attendant upon the operation of a car in former years," Donahue declared.

"Other features which contribute to smooth riding qualities and ease in operation are equal pressure hydraulic brakes, assuring quick, smooth stops," Donahue continued. "Among the improvements so vital to a feeling of security and sureness in operating a car in the heavy traffic of today, is a super-economy engine, increased to 100 horsepower, with almost unbelievably small gas-consuming qualities.

"All of these safety features and vast improvements in riding and driving qualities contribute to the owners easy state of mind when operating the new De Soto," Donahue concluded.

# Change Place For Eagles Whist

Because of the huge crowd expected to attend the Eagles whist next Monday evening, the place has been changed from Eagles hall to Theatre hall, it was announced today.

Proceeds of the card event sponsored by Colma Vista Grande Aerie No. 1848 will be used to aid one of the most worth-while projects in the United States, Father Flanagan's famous Boys Town.

Eagles from coast to coast are uniting to build a new $135,000 dormitory for the boys.

"This is one of the finest causes in the country and I know that Daly City is going to respond generously to this appeal to help give American youth an even break," Secretary Bill Bolger said today. "There will be a number of substantial prizes and a good time for everyone."

Playing begins at 8 p. m.

## "American Youth—'40" Will Be Shown Here

The story behind the lives and problems of America's 21 million young men and women now going out to make a place for themselves in the world will be shown on the screen of the Daly City theatre for three days, Sunday, Monday and Tuesday, in a new and particularly entertaining issue of The March of Time entitled "America's Youth—1940."

The film, which presents a thorough survey of the education, business and social lives of all groups among the nation's young people today, shows typical "case histories" in each group and pictures the work of the American Youth commission, the National Youth administration, and other public and private organizations devoted to the welfare and advancement of America's younger generation.

Officers of the newly formed club are Esther Morgan, president; Corvine Watts, vice-president; Maxine Christian, secretary, and Barbara Lorenz, treasurer.

# Students Hold Carnival Dance

Friday night is set for the fourth annual Carnival dance at Jefferson Union high school.

With the Indians of Rhythm to furnish the music, students are looking forward to one of the biggest dances of the year.

The first Carnival dance at Jefferson, was, as the students put it, stupendous—the second was colossal—the third gigantic—but this one will be supercolossal, stupendous **and** gigantic!

This dance is the last one of the season before the Senior Ball.

# Famed Adventure Tale At Daly City

Bringing to the screen Kenneth Robert's adventure novel which was the largest selling book in the nation month after month, "Northwest Passage" opens at the Daly City theatre tomorrow with Spencer Tracy starred and Robert Young and Walter Brennan in leading featured roles.

Filmed entirely in Technicolor, and made after six weeks of work in the wilds of Idaho and several weeks of studio filming, "Northwest Passage" is reported to be the greatest story of physical fortitude ever attempted by the screen.

Following the novel which first ran in the Saturday Evening Post before becoming a best-seller, the picture tells the story of a courageous, hardy band of Rogers' Rangers who in 1756 set forth on a secret mission to wipe out a village of maurading Indians. Among the Rangers are Robert Young as Langdon Towne, a young artist, and Walter Brennan as Hunk Mariner, a seasoned woodsman.

# Maurice Evans Returns To S. F.

Maurice Evans, who so recently enthralled Pacific Coast playgoers with his "uncut" production of "Hamlet," is to return to San Francisco with his earlier and even greater success, "King Richard II." The brilliant young star—unquestionably America's Shakespeare actor No. 1—is booked to appear at the Geary theatre as King Richard in a limited engagement starting Monday, May 20. Matinees will be on Wednesdays and Saturdays.

Evans really is re-producing "Richard" at this time for the especial benefit of the western cities where his "Hamlet" was given so royal a welcome earlier this season. He has received scores of letters from each of these cities requesting that he return immediately in his famous portrayal of the gay, debonair but unfortunate young king who was the first English sovereign to abdicate. He felt that he could not ignore these generous expressions of esteem, so, immediately upon the closing of the "Hamlet" tour, he reassembled his first "Richard" company as nearly as possible, and ordered the beautiful original production of fourteen scenes partially rebuilt and entirely redecorated.

A company of over forty is required for "King Richard II." The supporting cast is headed by Donald Randolph who will play the role of the implacable usurper, Bolingbroke, who forces young Richard to step down from his throne; and Carmen Mathews, who acts as Richard's dolorous queen.

Playgoers will not have to eat their dinner hurriedly, or forego it entirely to see all of "Richard," as they did in case of Evans' "Hamlet." "Richard" begins at 8:30 and ends at 11 p. m. Matinees at 2:30 p. m.
